Things you should know for Auditions:

- No experience is needed!! All are welcome.
- The music is posted on Mrs. Hunter's Classroom Website. But we will teach it to you in audition workshops.
- You should plan to attend the audition workshops so that you can learn the music and choreography in a low pressure setting! This is what will prepare you.
- You will need to bring a completed and SIGNED audition form (posted at www.pchsperformingarts.org) to your audition.
- You will not be considered for the cast if you do not have a parent/guardian signature on your audition form
- All families will be expected to be involved in some way! Whether it be running our donor drive, helping with props and costumes, working concessions. We cannot put on a huge production without everyone's help!
- Please see the audition form for required fees to participate in this activity.
