

The 25th Annual Putnam County Spelling Bee

Congratulations to everyone who auditioned you made our job very difficult. Director's say it all the time but we could have gone many ways with this... but a choice had to be made! We are pleased with the group and ready to get to work! Remember that our first rehearsal is a company meeting in the choir room on Thursday at 3:15 pm. Do not be late and bring a writing utensil we will be reading/singing through the script as well as going over expectations.

We sincerely hope that every single one of you plans to audition for Chitty Chitty Bang Bang in November. We plan to cast 50 students in a variety of parts.

Student Director: Madeline Loso
